30 Day Post-General Report
10/17/97 to 11/25/96

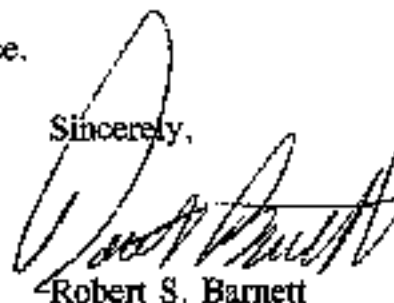

Dear Ms. Carothers:

As we discussed this morning, I was quite taken aback by John Gibson's letter of January 23, 1997. As you know, we have been working very, very diligently in answering all of the Commission's inquiries in a timely fashion. Apparently, the Commission has never received my letter of January 9, 1997 which addressed the issues requested by John D. Gibson.

I have faxed you a copy of my January 9, 1997 correspondence this morning and I will mail you another copy attached to this letter. I would greatly appreciate your placing an indication in the Committee's file that the Committee has been diligent and has been timely in addressing your requests and correspondence. I have also enclosed an amended detailed summary page.

Thank you very much for your assistance.

Sincerely,

Robert S. Barnett
